Phone (home): 905-634-0884    (cell): 905-973-4148    E-mail: alex20green01@gmail.com

## Objective

My objective is to gain experience in the workforce

## Education

Assumption Catholic Secondary School

*September 2015- 2020*

## Skills

- Very good with working with others
- Fast learner
- Hard worker
- Very athletic
- Working Independently
- Team work

## Volunteer Work and Extracurricular Activities

- Assistant coach volleyball at ArcelorMittal Dofasco recreation centre (2014-2018)
- Was accepted to the Specialist High School Majors (SHSM) program for Computer Science where my team and I participated in events where we had to use our programming knowledge, and critical thinking to solve problems (2015-2018)
- A member of St. Paul's Catholic Elementary School Robotics team where I was awarded third place out of the Halton Region for the electronic robot my teammates and I created (2014-2015)
- Myself and 3 other friends are creating a business and a trading website for a very popular game called CS:GO. This project has tested and enabled me to learn a lot about my favorite coding language React.

## Work Experience
